

Anti-Discrimination Support Network Media Watch Report Form

The Anti-Discrimination Support Network (ADSN) has developed this form to help you tell us what you've seen, read, or heard about atheists in the media. ADSN relies on individuals across the country to keep us informed. We appreciate your help in our quest for fair, accurate, and inclusive representation of the atheist community.

When and where did the article or broadcast appear? Please provide ADSN with the date, time, and station or a copy of the article. Please provide ADSN with call-letters for radio and television broadcasts and the name of host and/or reporter if possible.

What was the title and/or topic of the program you saw?

In what context did the atheist person, content, and/or image appear?

Was someone hostile to atheists brought in as an "expert" or as an opposing point of view?

Name of "expert" and credentials if known:

Was inappropriate language or were derogatory descriptions used to describe the atheist (i. e. devil worshipper, evil, immoral, etc)?

Were the atheist images presented stereotypical or irrelevant to the story? Please explain how:

Was the atheist community represented and allowed to speak for itself?
