Dear Ms. Downey,

I really appreciate you coming to our school to give the assembly about Thomas Paine. I had fun and learned a lot about Thomas Paine too.

One thing I found really interesting was about how no one knows where Thomas Paine's coffin is. Another thing I found interesting was about when Thomas Paine was in jail. There were a lot of interesting things but these were two facts that stood out to me.

Me, along with other people think there should be a bridge, school, and a monument for Thomas Paine. Thank you very much for taking the time to come to Uwchlan Hills to give an assembly about Thomas Paine. We all had a really fun time.

Sincerely,
Monica
