Dear Ms. Downey,

Thank you for coming in and giving a presentation on Thomas Paine as I learned a great deal of interesting information about him!

My favorite part was when Mr. Beebe dressed up as Thomas Paine and said those quotes that Thomas wrote. I learned some new and interesting facts about Thomas. The most interesting thing for me was the story when Thomas was sick and was in one of the rooms that had a big, red X on the door and someone shut the door, so the X was on the inside of the room. Then, he didn’t have to be executed.

I had a fun time learning about some parts of Thomas’s life! I think that I might buy the book he wrote, *Common Sense*. I really want to read it, because I think Thomas Paine is a really interesting person! Thanks again for coming in to share information about Thomas Paine!

Sincerely,

Carter Thompson
